On the road to net-zero: Scaling the deployment of negative emissions technologies

Tuesday, 9 November 2021 - 15:00-16:30

Business Hub (Blue Zone)

Interested in learning how negative emissions technologies are being scaled up in Europe and other parts of the world? Join our session featuring leading carbon removal buyers, suppliers, and thought leaders discussing what enabling framework is needed to take public and private procurement of high-quality permanent removals to climate-relevant scale.

Speakers
